EDUCATION

Washington University in St. Louis *BFA* 2009, GPA 3.6, Eliot Scholar
Major in Communication Design, Minor in Business, Minor in English

EXPERIENCE

MSLK Design Inc

junior designer 11/09—PRESENT

Research and design of branding and informational materials for clients in fashion, beauty, finance, the arts, and education. Projects take the form of printed communications, websites, motion-graphics, packaging and retail experiences. Also engage in the maintenance of the MSLK website, and the design and building of promotional e-blasts.

intern 9/09—11/09

Deeply immersed in three distinct projects, including the research, design, and technological implementation of a webinar on social media, the installation and promotional design for Watershed, the AIGA award-winning eco-art installation, and the design and animation of an informational video on a rebranding project for a beauty wholesaler.

Aaron Design Inc *intern* 7—8/08

Assisted president in the design of a variety of print projects such as posters, invitations, brochures, identity and publications. Also engaged in archiving, image research, and blog development.

Usdan Center for the Creative Arts *assistant painting teacher* 7—8/06, 7—8/07

Worked at a renowned visual and performing arts camp for the New York tri-state area. Developed the curriculum and taught painting and pictorial concepts to young art students, ages 8—15.

HONORS AND ACTIVITIES

Jane Ball Rousseau Scholar 5/09

Received a memorial prize for excellence in graphic communication.

Liberman Scholar 9/05—5/09

Annual scholarship recipient based on artistic merit.

Dean's List 9/05—5/09
